

ITbM

Frontier Seminar

13:30~13:40 **Opening Remarks**

13:40~14:30 **Seminar 1**

Prof. Takayuki Uchihashi (Nagoya Univ.)

Visualization of Single Molecule Dynamics at Work with High-Speed Atomic Force Microscopy

14:30~15:20 **Seminar 2**

Prof. Atsushi Nagano (Ryukoku Univ.)

Plant responses to complex natural environments captured by field transcriptomics

15:20~15:40 **Break**

15:40~16:30 **Seminar 3**

Prof. Yoichiro Fukao (Ritsumeikan Univ.)

Plant responses to complex natural environments captured by field transcriptomics

16:30~17:30 **Discussion & lab tour**

Date: Tuesday, Jan 22

Time: 13:30~17:30

Venue: Lecture room, ITbM

Language: English
