

GTR Seminar on Polymer Chemistry Nagoya University

October 27 (Thu), 15:00-17:30

工学部 1号館 4F 143講義室

*“Nanopatterned Surfaces from
Block-Copolymer Self-Assembly”*

*Prof. Christophe Sinturel, Director
(ICMN, University of Orléans)*

“Fluorine-Activated Vitrimers”

*Dr. Vincent Ladmiral, Director
(ICGM, University of Montpellier)*

*“from Biobased Monomers
to Sustainable Polymers”*

*Dr. Sylvain Caillol, Director
(ICGM, University of Montpellier)*

Host: Masami Kamigaito (5400)
