

« Seminar »

Monday, June 12, 2023, ITbM 1F Lecture Room

◆ 3 pm - 4 pm

“Starch Metabolism in Stomatal Guard Cells”

Diana Santelia

Institute of Integrative Biology,
Department of Environmental Sciences,
ETH, Zürich

◆ 4 pm - 5 pm

“CO₂ Sensing and Signaling Components are Required for Stomatal Responses to Elevated Temperatures”

Nattiwong Pankasem

Department of Cell and Developmental Biology,
School of Biological Sciences,
University of California San Diego, USA
